

§ 110-28. Partition fences.

When the land included in a subdivision or certified survey map abuts upon or is adjacent to land used for agriculture, farming or grazing purposes, the land divider shall, if requested by adjacent landowners, erect, keep, and maintain partition fences, satisfying the requirements of the Wisconsin Statutes for a legal and sufficient fence, between such land and the adjacent land. A covenant binding the developer, its grantees, heirs, successors, and assigns to erect and maintain such fences, without cost to the adjoining property owners, so long as the land is used for agriculture, farming or grazing purposes, shall be included upon the face of the final plat or certified survey map.
