Re: Development Rights Covenant

Dear Mr. and Ms Roesslein:

Enclosed is a Development Rights Covenant. Please review and if it meets your approval, kindly sign, in the presence of a notary, and return to me in the enclosed envelope.

This is necessary to bring you into compliance with the provisions of the Town of New Glarus Land Division and Subdivision Ordinance. I trust you will be able to return this before the end of April.

If you have any questions, please call. Thank you.

Sincerely,

Dale E. Hustad
Attorney at Law
